Historical Booklets - Library and Archives Canada

Canada: A History offers a flowing story with its infusion of people, including marginalized groups, into its rich narrative. Canada is unique in its presentation of Canadian history by making the story of the majority of the people equally important to the story of its leaders, and by demonstrating the ways in which each affected the other.

(1) Textbook: Spotlight Canada - Professionally Speaking

Canada is unique in its presentation of Canadian history by making the story of the majority of the people equally important to the story of its leaders, and by demonstrating the ways in which each affected the other. Offering a balanced coverage of economic, political, social, and cultural history, as well as regional versus national history, this text provides a distinctively comprehensive view of Canada and her history.
