Foreword by Communities and Local Government ministers Fire safety within the home is an extremely important issue, especially in mixed use premises and where unrelated occupiers, who live

LACORS fire safety guidance [pdf] - cieh.org

The Gateway to Up-To-Date Information on Integrated 'Whole Building' Design Techniques and Technologies. The goal of 'Whole Building' Design is to create a successful high-performance building by applying an integrated design and team approach to the project during the planning and programming phases.

WBDG | WBDG - Whole Building Design Guide

The U.S. Fire Administration is the lead federal agency for fire data collection, public fire education, fire research and fire service training.

U.S. Fire Administration

The U.S. Fire Administration (USFA) sponsors research and conducts studies to support emergency responder health and safety and help fire departments prepare for and respond to fire, natural disasters, non-fire emergencies, and other threats and vulnerabilities.

Fire Department Operations, Management & Safety

We have an extensive range of fire-related products and services to help meet your fire safety needs. We test and certify a range of fire products to Kitemark and CE mark including emergency lighting, fire detection and alarm systems, and fire fighting equipment.

Fire - Safety matters so we have a range of solutions to

Fire Safety Journal is the leading publication dealing with all aspects of fire safety engineering. Its scope is purposefully wide, as it is deemed important to encourage papers from all sources within this multidisciplinary subject, thus providing a forum for its further development as a distinct engineering discipline.
