

international prosecution of human pdf

International human rights law (IHRL) is the body of international law designed to promote human rights on social, regional, and domestic levels.

International human rights law - Wikipedia

Trafficking in persons victimizes millions of men, women, and children worldwide. Although precise numbers are unknown, recent estimates of the number of people enslaved in sex or labor exploitation range from 12 to 27 million.

Countering Trafficking in Persons | Democracy, Human

Overview. The term "human trafficking" is used in common parlance to describe many forms of exploitation of human beings. While these words often evoke images of undocumented migrants being smuggled across international borders, the term has a different and highly specific meaning under the United States Criminal Code.
